-  All Scout Units must obtain an approved Tour Permit.
-  All Scout Units and other groups must have a First Aid and CPR certified adult leader in attendance at all times.
-  All Cub Scout Packs & Dens must have a BALOO trained adult in attendance at all times.
-  Do not WALK, SNOWSHOE or CAMP on SKI TRAILS.
-  Fires must be built in designated fire rings or places. Charcoal must be used in the fireplaces at the lodge cooking shelter. Before starting an open fire you MUST call the Boulder County Sheriff's Department (303-441-4444) and Cherryvale Fire Station #4 (303-494-3735) to inform them you will have a fire. Fires are not to be left unattended, and fires must be put out before departure. Observe all fire bans.
-  Camp Patiya is in a neighborhood of surrounding homes. Quiet hours must be maintained from 10:00 PM until 7:00 AM daily. Noise makers (radios, boom boxes, bugles, loud speakers, public address systems, musical instruments, etc.) must be kept out of camp. Excessive noise interferes with our neighbors' right to quiet, and disturbs the wildlife native to the camp and area. This can effect our use of the facility.
-  Please – no branding of walls, ceilings, etc.
-  No Paintball activities.
-  Alcohol and illegal drugs are not permitted.
-  A minimum of two adults, one registered with the BSA, must be in attendance at all times. One adult must be 21 or older and the other must be 18 or older. One of these adults must be currently certified in Youth Protection.
-  All trash and garbage must be packed out of camp including fire ashes. Please bring your own trash bags.
-  No cutting of trees, live or marked, is allowed.
-  Bicycles are to remain on existing roads and trails designated for bicycle travel. All riders must wear helmets.
-  ATV's and ORV's are not permitted.
-  The camp is a NO SMOKING facility. The designated smoking area is the parking lot.
-  The camp is in the forest area of western Boulder County. Please take precautions, as black bears and mountain lions have been seen in the area.
-  Leave all pets at home.
-  All vehicles are to remain in the parking lot. Do not park on the shoulder of the main county road as you will be ticketed by the Boulder County Sheriff.
-  Shooting sports (BB, rifle or archery) are allowed only with certified instructors and approval from Longs Peak Council.
-  Obey use sign, neighboring boundary signs and no trespassing signs. Off limit areas and closed buildings must be obeyed. Please respect the vehicles, campsites and facilities of other users of Camp Patiya.
-  Please do not bring appliances or furniture for the camp without prior approval from Longs Peak Council (970-330-6305).
-  All U.S. Forest Service Regulations are to be followed. Please respect winter cross-country ski trails as skis only!
-  Tent camping is allowed in designated sites and areas south and west of the Nancy Nixon Lodge.
-  Shower House/Bath house is only available to units who have reserved it. Read and follow the directions in the utility room for the proper use of restrooms and bath house. These facilities are closed in the winter due to potential freeze-up. Outside latrines are available.
-  The telephone provided in the Nancy Nixon Lodge is for Unit convenience and emergencies. **It is not business telephone or personal device.** The number is 303-442-2833. Only local calls can be made. DIAL 911 FOR AN EMERGENCY.
